

**REMARKS****Amendments to The Specification**

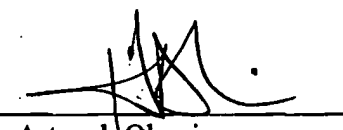

A Notice of Allowance was issued on July 15, 2008. This paper presents amendments under 37 C.F.R. § 1.312 to the specification to conform the summary to allowed claim 1. According to MPEP § 714.16, the examiner "has authority to enter amendments submitted after Notice of Allowance of an application which embody merely the correction of formal matters in the specification or drawing, or formal matters in a claim without changing the scope thereof, or the cancellation of claims from the application, without forwarding to the supervisory patent examiner for approval." The examiner is authorized under MPEP § 714.16 to make the amendments to the specification because the amendments embody merely the correction of formal matters in the specification.

The Commissioner is hereby authorized to charge or credit Deposit Account No. 09-0447 for any fees required or overpaid.

Respectfully submitted,
